

FORT RILEY TRAIL RIDING REGULATIONS AND INFORMATION

The Fort Riley Military Reservation (or portions of it), may be closed at any time, without prior notice, due to military activities, security restrictions, or impassable roads. The military mission and security have precedence over all recreational pursuits.

All drivers of motor vehicles, while used for approved outdoor recreational activities on Fort Riley, shall have prominently displayed in the front windshield a current Fort Riley iSportsman permit. The Fort Riley iSportsman Permit is available electronically on the Fort Riley iSportsman website. This permit is in addition to any permit/pass needed to access the installation.

Fort Riley iSportsman

All individuals hunting, fishing, or participating in ANY outdoor recreational activities (including trail riding) in a Training Area on Fort Riley must check in/check out using the Fort Riley iSportsman system.

For more information on outdoor recreational opportunities at Fort Riley, please call the Directorate of Public Works, Environmental Division, Conservation Branch at 785-239-6211.

Fort Riley Hunting, Fishing, Trapping and Outdoor Recreation Regulations 210-15:

Requires that all vehicles used by recreationists will be restricted to improved roads and established trails marked on the Fort Riley Outdoor Recreation Map.

Off-road travel by an unauthorized vehicle is prohibited. All terrain vehicles (ATV's) are only authorized for recreational purposes in designated areas on Fort Riley. Vehicles shall be parked so as not to disrupt military training or impede the passage of vehicles on any road or trail.

Individuals traveling off-road (outside of those designated on the Fort Riley Outdoor Recreational Map) will be subject to a fine of \$100.00 (not including court cost).

Multiple violations could result in suspension of all recreational activities on the installation with additional fines.

THERE ARE OVER 38.5 MILES OF TRAIL RIDING AVAILABLE ON FORT RILEY!

**UNLESS OTHERWISE POSTED, A
30 MPH SPEED LIMIT IS IN EFFECT
ON ALL TANK TRAILS.**

TIPS FOR RESPONSIBLE TRAIL RIDING

- Drive over, not around obstacles to avoid widening the trail.
- Straddle ruts, gullies and washouts even if they are wider than your vehicle.
- Cross streams only at designated points, where the trail crosses the stream.
- When possible, avoid mud. In soft terrain, go easy on the acceleration to avoid wheel spin, which can cause rutting.
- Don't turn around on narrow trails, steep terrain or unstable ground. Back up until you find a safe place to turn around.
- For your safety, travel straight up or down hills.
- Know where the differential or the lowest point on your vehicle is. This will help in negotiating terrain and prevent vehicle damage resulting in oil and fluid spills on the trail. If oil or fluid spill occurs, please contact the Fort Riley Emergency Spill Coordinator at 785-239-8615.
- Before and after your ride, wash your vehicle to reduce the spread of invasive species.
- Do your part by modeling appropriate behavior. Pick up your trash and trash left by others, leaving the area better than you found it.

***PLEASE FOLLOW ALL TRAIL RIDING
RULES AND REGULATIONS***
